Windin' your way down on Baker Street  
 Light in your head and dead on your feet  
 Well another crazy day  
 You'll drink the night away  
 And forget about everything  
 This city desert makes you feel so cold.  
 It's got so many people but it's got no soul  
 And it's taken you so long  
 To find out you were wrong  
 When you thought it held everything

You used to think that it was so easy  
 You used to say that it was so easy  
 But you're tryin'  
 You're tryin' now  
 Another year and then you'll be happy  
 Just one more year and then you'll be happy  
 But you're cryin'  
 You're cryin' now

Way down the street there's a light in his place  
 He opens the door he's got that look on his face  
 And he asks you where you've been  
 You tell him who you've seen  
 And you talk about anything

He's got this dream about buyin' some land  
 He's gonna give up the booze and the one night stands  
 And then he'll settle down in some quiet little town  
 And forget about everything

But you know he'll always keep movin'  
 You know he's never gonna stop movin'  
 Cause he's rollin'  
 He's the rollin' stone  
 And when you wake up it's a new mornin'  
 The sun is shinin' it's a new mornin'  
 You're goin'  
 You're goin' on.
