The lunatic is on the grass
 The lunatic is on the grass
 Remembering games and daisy chains and laughs
 Got to keep the loonies on the path

The lunatic is in the hall
 The lunatics are in my hall
 The paper holds their folded faces to the floor
 And every day the paper boy brings more

And if the dam breaks open many years too soon
 And if there is no room upon the hill
 And if your head explodes with dark forbodings too
 Ill see you on the dark side of the moon

The lunatic is in my head
 The lunatic is in my head
 You raise the blade, you make the change
 You re-arrange me till Im sane
 You lock the door
 And throw away the key
 Theres someone in my head but its not me.

And if the cloud bursts, thunder in your ear
 You shout and no one seems to hear
 And if the band youre in starts playing different tunes
 Ill see you on the dark side of the moon
