Hello?

Is there anybody in there?

Just nod if you can hear me.

Is there anyone at home?

Come on, now,

I hear you're feeling down.

Well I can ease your pain

Get you on your feet again.

Relax.

I'll need some information first.

Just the basic facts.

Can you show me where it hurts?

There is no pain you are receding

A distant ship, smoke on the horizon.

You are only coming through in waves.

Your lips move but I can't hear what you're saying.

When I was a child I had a fever

My hands felt just like two balloons.

Now I've got that feeling once again

I can't explain you would not understand

This is not how I am.

I have become comfortably numb.

O.K.

Just a little pinprick.

There'll be no more aaaaaaaah!

But you may feel a little sick.

Can you stand up?

I do believe it's working, good.

That'll keep you going through the show

Come on it's time to go.

There is no pain you are receding

A distant ship, smoke on the horizon.

You are only coming through in waves.

Your lips move but I can't hear what you're saying.

When I was a child I caught a fleeting glimpse

Out of the corner of my eye.

I turned to look but it was gone

I cannot put my finger on it now

The child is grown, The dream is gone.

I have become comfortably numb.
