Over the sea and far away  
 She's waiting like an iceberg  
 Waiting to change  
 But she's cold inside  
 She wants to be like the water

All the muscles tighten in her face  
 Buries her soul in one embrace  
 They're one and the same  
 Just like water

And the fire fades away  
 Most of everyday  
 Is full of tired excuses  
 But it's to hard to say  
 I wish it were simple  
 But we give up easily  
 You're close enough to see that  
 You're the other side of the world to me

On comes the panic light  
 Holding on with fingers and feelings alike  
 But the time has come  
 To move along

And the fire fades away  
 Most of everyday  
 Is full of tired excuses  
 But it's to hard to say  
 I wish it were simple  
 But we give up easily  
 You're close enough to see that  
 You're the other side of the world

Can you help me  
 Can you let me go  
 And can you still love me  
 When you can't see me anymore

And the fire fades away  
 Most of everyday  
 Is full of tired excuses  
 But it's to hard to say  
 I wish it were simple  
 But we give up easily  
 You're close enough to see that  
 You're the other side of the world  
 'ou're the other side of the world  
 You're the other side of the world to me
