 Verse and Chorus X5
 Repeated intro melody

- V I see a red door and I want it painted black
 No colors anymore I want them to turn black
- C I see the girls walk by dressed in their summer clothes
 I have to turn my head until my darkness goes
- V I see a line of cars and they're all painted black
 With flowers and my love both never to come back
- C I see people turn their heads and quickly look away
 Like a new born baby it just happens ev'ry day
- V I look inside myself and see my heart is black
 I see my red door and it has been painted black
- C Maybe then I'll fade away and not have to face the facts
 It's not easy facin' up when your whole world is black
- V No more will my green sea go turn a deeper blue
 I could not foresee this thing happening to you
- C If I look hard enough into the settin' sun
 My love will laugh with me before the mornin' comes
- V I see a red door and I want it painted black
 No colors anymore I want them to turn black
- C I see the girls walk by dressed in their summer clothes
 I have to turn my head until my darkness goes
- V Hmm, hmm, hmm,...
- V I wanna see it painted, painted black
 Black as night, black as coal
- C I wanna see the sun blotted out from the sky
 I wanna see it painted, painted, painted, painted black
 Yeah!
